

Anas Alnagar

Front-end Developer

Oman - Muscat

I am a skilled web designer and developer with expertise in creating and enhancing websites. Here are some of my works, linked in my resume. I look forward to the opportunity to join your team and contribute to your projects.

Work Experience

Frontend Developer @ Upskilling Academy

MAY 2024 - PRESENT

- I'm working on several projects, such as [eCommerce](#) , [myFamily](#) , [bmi-Calculator](#) and [busicol](#)

UX / UI @ Smart Developer Company

FEB 2024 - PRESENT

- I'm working on several projects, some of which provide government services and some of which provide products

UX / UI Design Intern @ Route

OCT 2023 - JAN 2024

- Conducted user research and analyzed data to identify design opportunities and inform design decisions
- Collaborated with cross-functional teams to create wireframes, prototypes, and high-fidelity mockups
- Facilitated design reviews and user testing sessions to gather feedback and improve design solutions

Projects

[Travel App](#) @ Route

JUNE 2018- JUNE 2022

I COLLABORATED WITH A TEAM TO ANALYZE COMPETITORS, CONDUCT USER INTERVIEWS, AND ANALYZE QUESTIONNAIRES TO UNDERSTAND POTENTIAL USERS. WE FOLLOWED THE DESIGN THINKING PROCESS (EMPATHIZE, DEFINE, IDEATE, DESIGN) TO CREATE USER INTERFACES, AS DETAILED IN THE CASE STUDY.

Education

Information System

@ Abasia institute

JUNE 2011- JUNE 2015
